
List of tables

Table 1	
Network connection information	8
Table 2	
Outline for installation planning	11
Table 3	
Milestone chart	12
Table 4	
Operating environment	17
Table 5	
Storage environment	18
Table 6	
Heat dissipation—modules	20
Table 7	
Heat dissipation—rectifiers	21
Table 8	
AC input specifications for AC-powered systems	34
Table 9	
Transient tolerance for AC-powered systems	35
Table 10	
AC input specifications for DC-power rectifiers	37
Table 11	
Service receptacle requirements	38
Table 12	
Equipment specifications	44

Table 13	
PFTU and auxiliary power supply dimensions	44
Table 14	
Equipment dimensions	53
Table 15	
Equipment weights	58
Table 16	
Floor loading estimates	59
